100-card deck in tuck box

STORY, PLEASE! CREATE FANTASTIC, WHIMSICAL ADVENTURES FOR YOUR NO THANK YOU, EVIL! GAME

Someone stole all the robot waiters from The Cake Is a Pie, a famous cake and pizza restaurant. Clues lead to an alien factory where everyone looks the same. Can the players overcome obstacles and hazards, confront Joe the Giant, and solve the mystery to return the robot waiters?

Journey into Storia in adventures of your own design! Combine an engaging STORY card with one or more cool PLACE and PERSON cards to outline your quest. Then give your adventure a surprising TWIST, and maybe some fun and useful STUFF. There are even maps and handouts! Pick cards, draw them at random, or mix and match. Create a great story with all the details you need—in minutes!

This expansion requires the No Thank You, Evil! game to play.

- ◆ The first new content for No Thank You, Evil!, the hit game for your customers with families.
- ◆ Kids can't get enough NTYE adventures—this lets parents and other guides quickly create zillions of different adventures with everything they need to play—ideas, stats, even maps and handouts.
- ◆ No Thank You, Evil! brings parents and families into your store!
