

Numenera Character Sheets

As intriguing and beautiful as the game itself!

A character sheet is a character sheet—right? Not if it's the **Numenera** character sheet.

The **Numenera** character sheet sells itself—and it sells **Numenera!** Gamers who see the character sheet's gorgeous, intriguing design always ask about the game. This pad of 50 double-sided, full-color sheets, printed on matte paper that's easy to write on and erase, covers an entire party for an entire campaign—and then some.

Game Supplement

It only takes a glance to see how much nicer these **Numenera Character Sheets** are than the download-and-print variety. **Numenera** players appreciate the game's elegance and beauty, and once they see these they'll never look at their old laserprinted character sheets the same way.

- Right on the heels of the **Numenera Character Options** book, it's a great player-focused companion product
- Packaged as a shrink-wrapped pad with a cover wrap and quarter-inch spine—will shelve nicely beside your other **Numenera** products without getting lost
- With a low price, this is a great upsell item!
