### Convert massive interest into massive sales with the Numenera Starter Set!

Interest in Numenera is going to be huge this fall and into 2017. How can you convert this into sales—and then drive sales for the corebook and full RPG line? With the **Numenera Starter Set**. The perfect intro to the Ninth World and the Numenera RPG, the **Numenera Starter Set** has everything needed to play your first few sessions—at a price that makes it easy to try!

Where do your customers go from there? The **Numenera Starter Set** seamlessly guides players to the *Numenera* corebook, and the rest of the RPG line, for continued play. It's an excellent tool to build a vibrant community of Numenera customers in your store, just in time for all the interest!

- ◆ Contains everything needed for a great Numenera experience: pregenerated characters, basic dice, a poster map, introductory rules, two adventures, cards, and a cheat sheet.
- ◆ In time for Numenera Organized Play, Numenera novels hitting Barnes & Noble and Amazon, The Ninth World board game, the Numenera short film, and of course, the hit CRPG *Torment: Tides of Numenera*.
- ◆ Great price point makes this an easy initial purchase.
- ◆ Smoothly drives purchasers into the full RPG line.

The Numenera brand is going exciting places in the months to come. Don't miss out on the excitement—or the sales!
