

TORMENT™

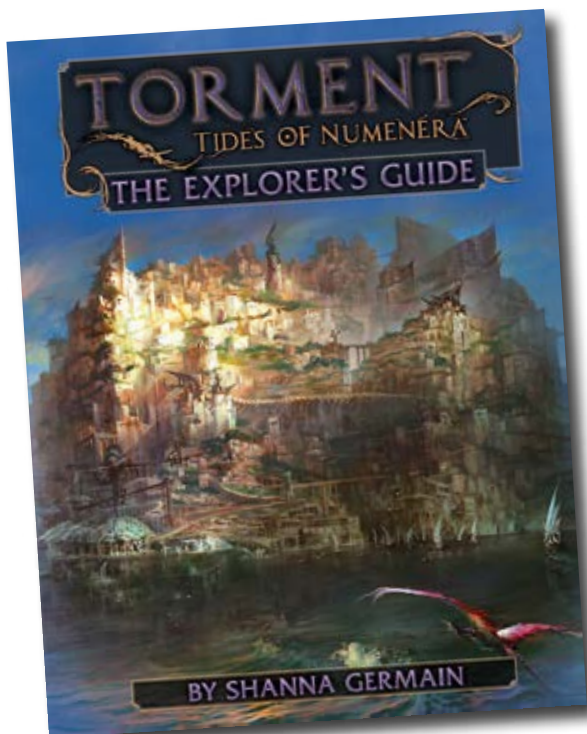

TIDES OF NUMENERA™

The Explorer's Guide

The **Tabletop** RPG Guide to the **Hottest** CRPG of the Year

Torment: Tides of Numenera is one of the biggest computer game releases of 2016. Explore the new areas of the Ninth World unveiled in Torment: Tides of Numenera, in this book that will appeal to computer gamers as well as traditional tabletop Numenera players. Find locations, NPCs, creatures, and more from the Torment video game with all the details and game stats for RPG use.

- This book will be on your shelves several weeks ahead of the CRPG's launch. Yes, it contains spoilers and inside information for this highly-anticipated game!
- Torment: Tides of Numenera is going to create hundreds of thousands of new fans for the brand—and this is the book they'll look for first.
- Opens up vast new areas of the Ninth World for players and GMs to explore.
- Characters, creatures, cyphers, artifacts, and adventure seeds galore!
