A delightful zero-prep roleplaying experience filled with magic, mystery, and teamwork

You are one of the Devil's Dandy Dogs, a creature made of the Devil's shadow, and as such you are tasked with one thing: collecting souls. You'll face myriad people, places, creatures, experiences, and conundrums—not to mention temptations. And when you're done, the Devil will want a rousing tale of your exploits.

Collaborate with your pack to create the conflict, characters, and resolutions to your tale. This zero-prep, rules-light narrative roleplaying game is filled with mystery, magic, and the unforeseen.

And a pack of supernatural dogs trying their best to be oh-so-good!
