## Statement Begins...

Create characters, explore the world of *The Magnus Archives*, and access the easy-to-learn Cypher System rules that power *The Magnus Archives Roleplaying Game*. This handy Player's Guide provides an easy, inexpensive way to have multiple copies of the game's most important player-facing content at the game table

*The Magnus Archives Roleplaying Game* takes you into the world of the top horror podcast. Interact with the podcast characters and pursue classic horrors from the show as a researcher at the Magnus Institute. Or create your own similar institution and investigate horrors of your own creation. There's even a very cool system for generating new statements, as a group, to create your adventures!

This handy Player's Guide gives players key information so the GM doesn't have to keep sharing their corebook.

- ◆ An inexpensive way for each player to have a copy of critical rules without buying another corebook.
- ◆ Contains the basic game rules for this fast-paced, engaging horror RPG.
- ◆ Particularly handy for launching a new campaign, and especially for character generation!
- ◆ An easy upsell for fans purchasing the corebook.
- ◆ With tens of millions of downloads, *The Magnus Archives* podcast is a horror phenomenon—and *The Magnus Protocol* (running now) is promoting this game!
