

# Gunslinger Knights

## Post-apocalyptic fantasy meets epic Arthurian legend!

Astride mechanical steeds and wielding weapons of power and flame, the Order of Gunslinger Knights battle otherworldly horrors emerging from the Fundament Storms. Despite the generations of experience, the Knights will have to muster every bit of courage, skill, and valor they can. Never before have the horrors and their insidious masters lusted over a world as they lust over the land of Sancara.

*Gunslinger Knights* is a complete setting filled with mythic quests worthy of Arthur, Lancelot, and Gawain—and equally riddled with the traps and misfortunes of a grungy, post-apocalyptic wasteland. Don your armor, mount your crafted steed, and ride into the approaching storm—for the Dreamed Blade! For the Silvered Throne! For Sancara!
