MAKE YOUR STATEMENT

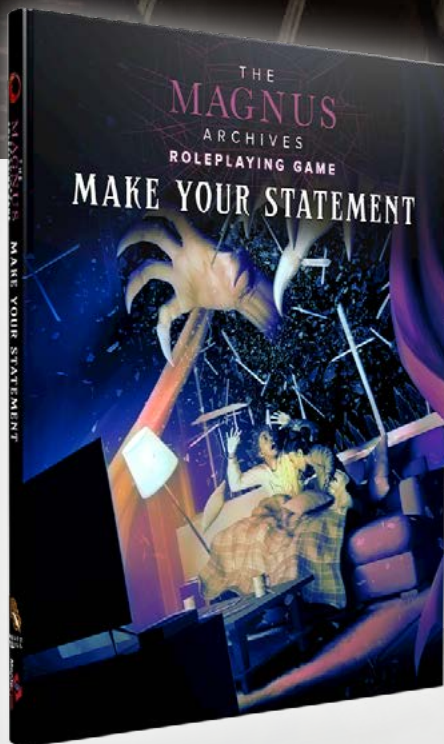

Nine chilling statements. Ten terrifying investigations!

Delve into the Archives with ten new investigations—ready-made adventures for your investigators to embark upon. Nine new statements and ten terrifying challenges!

Explore an observatory infected by its astronomer's obsession with the dark void in "What Sits Between the Stars." Venture into the thirteenth floor of a building that only has twelve in "There Is No Thirteenth Floor." Face cultists so devoted to darkness that they cannot be seen, except when revealed by a very special "light," in "Hidden Hosts." And find yourselves tangled in a feud between two rival Fears in "Contingent Liability."

(But only nine statements for ten adventures? "Disposal" takes your investigators in a new direction, as their employers task them with handling a dangerous artefact.)
