CYPHER™

The New Edition of Cypher Is Here!

Famed for flexibility, narrative focus, and ease of play. Now faster, easier, and even better!

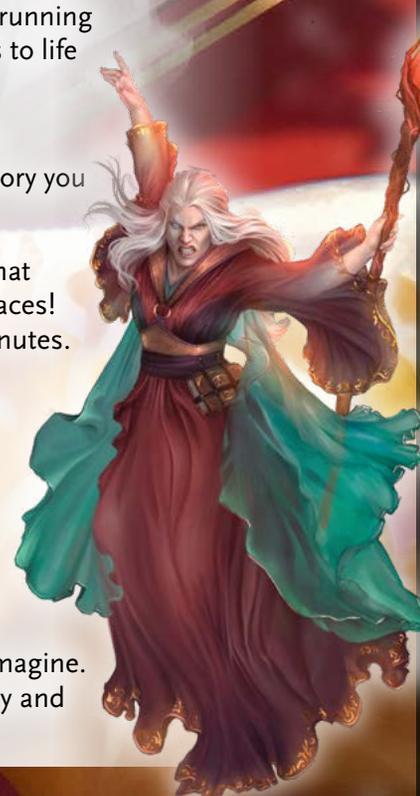

Cypher is the popular, award-winning RPG system for the fun, fast-paced campaigns just itching to burst from your imagination and onto your game table. It's fast, flexible, and incredibly easy on the GM. Players love their vivid, memorable characters that are easy to build, fun to play, and never bogged down in needlessly complex mechanics. GMs love running fun, fast-paced adventures and campaigns that bring their worlds to life without having to kludge the rules to make them fit.

Bring any campaign or adventure to life with minimal prep. Build characters you love. Enjoy fast-paced, fun play that delivers the story you want to make happen with **the new edition of Cypher!**

- ◆ Built from the ground up to be super easy to GM. Ditch all that *work* and let your imagination take your game to fun, cool places!
- ◆ Amazingly fast to jump into. Build a detailed character in minutes.
- ◆ Awesome suite of free online tools for players and GMs.
- ◆ Classic fantasy. Sci-fi. Post-apocalyptic. Whatever you can imagine, Cypher runs it—easily and with no kludging!
- ◆ Exiting Cypher System books are mostly compatible.

Here are the new Cypher corebooks:

- ◆ **Cypher Character Rulebook** is the key title. It contains all the core game rules, plus everything for making characters.
- ◆ **Cypher GM's Guide** helps GMs run any campaign they can imagine.
- ◆ **Cypher Corebook Slipcase Set** includes both books in a handy and elegant slipcase—at no extra cost!
